

A stylized map of the Florida Keys and surrounding waters. The landmasses are dark grey, and the water is light blue. Three locations are marked with black location pins: Fort Lauderdale (top left), Key West (bottom left), and Nassau (right). Dashed white lines with arrows indicate a travel route: from Fort Lauderdale to Key West, then from Key West to Nassau, and finally from Nassau back to Fort Lauderdale. A small black silhouette of a cruise ship is shown in the lower right quadrant of the map.

**FORT
LAUDERDALE**
