

DRAWING THE LINES

In addition to populating new campuses, Cy-Fair ISD attendance boundary changes will help relieve overcrowded campuses by rezoning students to underused campuses. Although CFISD is not expected to open a new high school until the 2030s, many campuses will be impacted by rezoning starting in 2023-24.

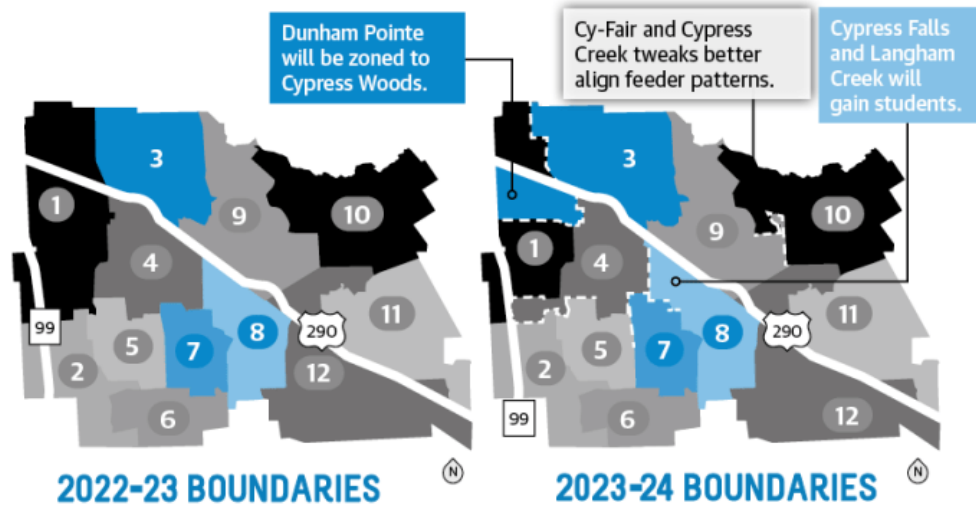

*PROJECTED 10-YEAR GROWTH

10-YEAR ENROLLMENT GROWTH

2002 67,441 enrolled	+59.6%	2012 107,660 enrolled	+10.1%	2022 118,565 enrolled	+1.5%	*2032 120,397 projected
