

FEBRUARY 2025

This 1949 Allis-Chalmers WD is owned by Lon Saeger of Elk River, Minnesota. Lon's dad purchased the WD new from the Co-op in Merrill, Wisconsin in March of 1950, and used it as his primary tractor all of the years he farmed. He took good care of the tractor, but was hard on the tinwork. Lon replaced the grill, hood and fenders with new old stock parts that he found over his 30 years of collecting. The gas tank and battery box are original to the tractor. 1950 was a big year for Lon's dad. Not only did he purchase the tractor, but he purchased the family farm and was married.
