

I can't  
be over  
the hill  
I'm too  
tired  
to climb  
the stairs.

On the  
bright  
side,  
my coffee  
will never  
get cold  
in Hell.

The best  
way to get  
a man to do  
something?  
Suggest  
he's too  
old for it.

I enjoy long,  
romantic  
walks...  
...to the  
fridge.

Walt says  
I talk in  
my sleep  
but nobody  
at work  
has ever  
mentioned it.

Some people  
call them  
gray hairs.  
I call  
them stress  
highlights.

It's just  
a matter  
of time  
before they  
add the word  
"syndrome"  
after my  
name.

We'll be  
friends till  
we're old  
and senile,  
then we'll  
be new  
friends all  
over again.

If there is  
a wrong  
time and  
a wrong  
place,  
I'll be  
there!

I wonder how  
skinny I'd be  
if I had  
to pedal  
to keep the  
computer  
powered  
up?

I eat  
cake  
because it's  
somebody's  
birthday  
somewhere.

The fridge  
is a clear  
example  
that  
what  
matters  
is on the  
inside.
