

The image shows the cover of a 2025 Hawaiian Language & Art Calendar. The cover is tilted and features a vibrant, multi-colored geometric pattern. The colors transition from warm oranges and reds on the left to cool blues and greens on the right. The pattern consists of various triangles, diamonds, and other geometric shapes, some of which are filled with smaller patterns like checkerboards or concentric circles. The text is prominently displayed in the center in a bold, white, stylized font with black outlines. The year '2025' is at the top, followed by 'HAWAIIAN' in a blocky font, 'Language & Art' in a cursive script, and 'CALENDAR' in a blocky font at the bottom.
