

# TODAY IN MIDDLE-EARTH

## LORD OF THE RINGS CALENDAR

### 2025

#### Information

The Shire Calendar has 12 months with each 30 days, two Yule days, two Lithas days and the Midyear's Day (total of 365 days). Dates are those of the Third Age unless marked S.A. (Second Age), F.A. (Fourth Age) or S.R. (Shire Reckoning). The Lord of the Rings events are indicated with blue text (years 3018 - 3021), the Hobbit events are indicated with green text (years 2941 - 2942). Other important dates or events are indicated with red text.

The dates and information of this calendar are based on the appendices of Tolkien's Return of the King, Karen Wynn Fonstad's The Atlas of Tolkien's Middle-Earth and TheOneRing.net.
