RUMOR: Metallica Set To Unveil 2025 North American Tour Details Soon:

Metallica is rumored to be announcing North American tour dates for 2025 - 2 nights in the same city with 2 different setlists concerts. Only Metallica and their management has official details (which we hear will be revealed VERY soon).

States rumored to land these Metallica events include:

California
Colorado
Florida
Georgia
New York
North Carolina
Ohio
Pennsylvania
Tennessee

Rumors all suggest there will be at least one Canadian event.
