## POST-HIGH SCHOOL GOALS

### STEP 3: Consider what you want to do after high school

See the chart below to identify your college or career goal. Circle it. Then make sure the courses you select match up to the academic requirements listed to help you reach that goal.

	Employment	Military	Vocational or Technical	Community College	Traditional 4 Year College	Selective 4 Year College	Highly Selective College
Examples	Full or Part Time Employment	Army Navy Air Force Marines, National Guard	Century Community, St. Paul Tech	Century Community, Anoka Ramsey	St. Cloud, Marquette, UW River Falls, UW Stout	U of M, St. Cloud, Gustavus, UW Madison	Harvard, Caltech, MIT
<b>ACADEMIC REQUIREMENTS (Credit Based)</b>							
English	8	8	8	8	8	8	8
Math	6	6	6	6	6-8	8	8
Science	6	6	6	6	6-8	8	8
Social Studies	8	8	8	8	8	8	8
World Languages	Not required	Not required	Not required	Not required	Completion of level 2	Completion of level 3 or 4	Completion of level 4 or 5 (AP level desirable)
Arts	2	2	2	2	2	2	2+
Personal Finance	Not required	Not required	Not required	Not required	Not required	Not required	Not required

All numbers indicate semester credits

### College and Career Center

#### Planning for what comes next

The College and Career Center is the place to go to find information on everything and anything college and career related. Located in Room E101 right across from the white Pony Center.

#### College and career resources:

- Visit with college and military reps
- Apply for Community Scholarships
- Learn about job opportunities

### Did You Know?

During your high school career, you'll explore a variety of career options and take interest inventories in School links to determine what might be a good fit for you.

## FIND YOUR WAY

A four year university degree is not the only way to ensure a successful career. There are many paths to lead to in-demand, high-wage jobs.

### Career Trends to Watch

Data Science	33% growth	Web Design	14% growth	Sustainability	12% growth
Cybersecurity	33% growth	Video Game Design	12% growth	Social Media	12% growth
Artificial Intelligence	21% growth	Healthcare	12% growth	Management	12% growth
Continuous Learning	74% of people engage in some type of learning after high school
