

October 2026 The Million-Year Picnic

- William Thomas brings his family to Mars, in their own rocket, to get away from Earth. After arriving, Thomas blows up the rocket so no one will find it.
- One of Thomas' friends also came to Mars in a different rocket with four daughters. Thomas and his friend decided they would start anew on Mars
- At the end, Thomas reveals to his children that they are the new Martians – Noah's Ark story??? Adam and Eve???
- Earth has been destroyed
