United during the weekend of 24MAY24's schedule update extended **Saipan – Tokyo Narita** route, previously listed until 30AUG24 only. The Star Alliance member will continue to operate this route 3 times weekly on/after 31AUG24, as schedule filing lists this route on permanent basis as far as the booking system can display while OAG database currently lists schedule into July 2025.

Following schedule focuses on the period of 28OCT24 – 28MAR25.
