

The Marine Corps Association Foundation was formed in 2009 as the 501(c)[3] charitable arm of the Marine Corps Association. The Marine Corps Association Foundation fills the void in programs for the professional development of Marines that could not be supported by appropriated (federal government) funds. We help develop leaders by providing forums for Marines to improve professionally, exchange ideas, and preserve the traditions of the Corps. When you donate, you are directly supporting active-duty Marines through our programs!
