

A vibrant concert poster for Coldplay's 'Music of the Spheres' World Tour. The background is a dark, starry space with several large, colorful spheres (planets or moons) in shades of blue, green, and orange. In the center, a performer is captured mid-air, jumping or dancing, with a bright light flare behind them. Below the performer, the silhouettes of other band members are visible on a stage. The text is overlaid on the image in various colors and fonts.
