

The poster features a vibrant, cosmic background with a deep blue space filled with stars. Several celestial bodies are visible: a large, colorful planet with swirling patterns in shades of red, orange, and yellow on the left; a crescent moon on the right; and a large, blue, textured sphere on the right side with a bright comet streaking across its surface. In the lower portion of the image, a large crowd of people is seen from behind, looking out over a stage area illuminated with colorful lights. The text is overlaid on this background.
