

A blue-tinted photograph of canoe sprint athletes in action. In the foreground, a male athlete on the left is shown in profile, wearing sunglasses and a white shirt, holding a paddle. Behind him, four other athletes are visible from the back, wearing dark singlets with 'IRELAND' and their bib numbers (364, 360, 362, 363) printed on them. They are all holding paddles and appear to be in a race. The background is slightly blurred, showing more of the race environment.
