The NABSHOW logo is centered over a background image of people at a conference. The logo consists of the word "NABSHOW" in a bold, white, sans-serif font, with a stylized graphic of three slanted parallel lines to the left of the "B". Below the main text is the tagline "Where Content Comes to Life" in a smaller, italicized, white font. The background image shows a group of people in a dimly lit room, possibly a trade show or conference, with some people looking at a screen or display.
