Dear Don,

It is my pleasure to inform you that you have been admitted to the Information Systems, M.S. (Data Analytics - On Ground Track) program at East Tennessee State University (ETSU) for the Fall 2025 semester.

Your university network username, email address, and student identification number (also referred to as an E#) are:

Username: TEST
Email: test@etsu.edu
Student ID: E7777777

Please include your E# in all communication with ETSU, including fee payment and registration. Your ETSU email will be the official means of communication. You will be notified of essential information regarding your financial account, housing, important dates, and university/graduate studies news via this email only. Your email account must be activated before use at <http://www.etsu.edu/activate>. Additional assistance with your email account may be obtained from <https://www.etsu.edu/helpdesk/>. The ETSU student portal, Goldlink (<http://goldlink.etsu.edu>), can be used to view available courses, your academic transcript, registration holds if any, the course catalog, financial aid status, and your student financial account. You can also use GoldLink to register for classes.

Dr. will serve as your initial advisor. Please contact Dr. at prior to registration for guidance in the selection of courses and for approval of your course schedule.

I encourage you to review the regulations and requirements for graduate study, as outlined in the current [Graduate](#)
