

Student Involvement and Belonging

First Year Peer Mentor Experience

VISION & MISSION

Non-academic, peer-led mentorship program where new and current students can receive mentorship, advice, and guidance to help them navigate through their college experiences.

Striving to build confidence, inspire leadership, increase involvement, and help new students transition successfully into the Oregon Tech Community.

WINTER 2024

Mentors are to be selected based on application, interview, hosted by the SIB office.

Students will be accepted and participate in a number of trainings to help them become certified "Peer Educators" through the NASPA organization.
