The purchaser named below certifies that the purchase or lease of the following tangible personal property or repair service from the vendor identified above is for use in the Outer Continental Shelf waters, beyond the territorial boundaries of Louisiana:

Area Name	Block Number	Lease Number
Property Purchased, Leased, or Repaired		

Check the applicable box below:

- ☐ The tangible personal property purchased or leased from the vendor is for first use in the offshore area at the location noted above. Qualifying purchases and leases are not subject to state sales tax.
- ☐ The repair service performed in Louisiana, which includes labor, materials, services, and/or supplies, purchased from the vendor is for repairing, renovating, or converting a drilling rig or its component machinery and equipment parts. The drilling rig and its component machinery and equipment are for use exclusively outside the territorial limits of Louisiana in the Outer Continental Shelf waters. A drilling rig means any unit or structure, along with its component parts, which is used primarily for drilling, work over, intervention, or remediation of wells used for exploration or development of minerals. Component parts means any machinery or equipment necessary for a drilling rig to perform its exclusive function of exploration or development of minerals.

Notice to Dealer: Report tangible personal property purchased or leased for first use in the offshore area under exemption code 5042. Report repair services performed in Louisiana under exemption code 1078.
