REMINDERS: 1. Do NOT wait to complete your Housing License. Complete it early so you do not forget about it. No Housing License, No Priority Number, No Exceptions! 2. As you start conversations with friends, ALWAYS have a backup plan. Not every group will get their top housing preference. Make sure you are thinking about and planning for your 2nd and 3rd options if your group isn't accepted into your top housing preference. 3. The Office of Community Living is open 8:30am-4:30pm Monday through Friday. For after hours help, please refer to your Community Assistant.						Housing  Selection
