

LET'S SAY YOU WANT TO SEND A SCHEDULE OF EVENTS TO A GROUP.

IT MIGHT BE A GAME SCHEDULE, MEETING SCHEDULE, TRAINING SCHEDULE, BIRTHDAY LIST... WHATEVER.

YOU TYPE IT UP AND SEND IT TO EVERYONE BY EMAIL.

NOW YOU'RE FEELING GOOD ABOUT YOURSELF. IT'S A JOB WELL DONE.

BUT THE PEOPLE WHO GET YOUR SCHEDULE HATE YOUR DINOSAUR GUTS...

... BECAUSE THEY NEED TO RETYPE THE ENTIRE SCHEDULE INTO THEIR OWN CALENDARS.

HAD THE DINOSAUR USED CALENDARTREE, HIS TEAM COULD ADD THE SCHEDULE TO THEIR PERSONAL CALENDARS WITH A FEW CLICKS.

**CALENDARTREE**  
CALENDARTREE.COM
