

HOW TO USE: SEMESTER PLANNER

How to use:

- Identify important dates/deadlines from all your syllabi and write it down; look at your semester at a glance and plan ahead.
- Use colors, symbols, etc. to distinguish each activity from one another.
- **DON'T PUT YOUR WHOLE CLASS SCHEDULE**, the calendar will be oversaturated with words that it likely won't be helpful anymore!
- Hang the calendar on your door, fridge, or simply leave it in your bag—anywhere you can check frequently.

What to put:

- Midterms, finals, and other exam dates
- Assignment and project due dates
- Campus events and Performances
- Breaks/fun trips!
